No time restriction

When you need to make a claim, of course we hope your pet gets better quickly. But if they don't with M&S Pet Insurance there is no need to worry because there is no time limit on treatment. As long as you renew your policy and we can continue to offer cover, your pet's fees will be covered up to the limit stated. For full details of your cover have a look at your policy booklet.

Keep our claims helpline number safe in case you need it. 0800 960 6700.

Ask about the 5% discount offered on premiums for additional pets

Cover you can depend on

Take a look at the table below to see just how much cover M&S Pet Insurance gives you. As well as cover for vets' fees, you'll also receive money towards the cost of advertising for your pet if it goes missing and a reward for its safe return. You're also covered for emergency kennel or cattery costs. With such comprehensive cover, you can rest assured that if the unexpected happens, M&S Pet Insurance is here to help.

NAAM & WAARDE

NAME
username = Ivy
VALUE

The diagram illustrates the relationship between a variable name and its value. The word 'NAME' is positioned above the variable 'username', which is enclosed in a bracket. The word 'VALUE' is positioned below the value 'Ivy', which is also enclosed in a bracket. An equals sign '=' connects the variable 'username' to the value 'Ivy'.

CSS

The image shows a form with two elements: a text input field and a submit button. The text input field has a light gray background and a thin gray border, with the placeholder text "Enter email address...". The submit button has a dark brown background and the text "Submit". A white hand cursor icon is positioned over the submit button, indicating it is being clicked.
